About-

I am the Lot Manager at Mick McClure Honda in Lewiston, Idaho, overseeing operations and driving dealership success. As a senior at Lewis-Clark State College, pursuing a Bachelor of Science in Computer Science (graduating May 2025), I am developing expertise in programming, problem-solving, and technology-driven solutions. My background blends leadership, technical skills, and a passion for solving real-world challenges with innovation.

Work Experience-

Lot Manager (2021-Current)
Mick McClure Honda of Lewiston Idaho-

As Lot Manager at Mick McClure Honda, I lead a team of lot attendants, maintain dealership grounds year-round, and oversee service and courtesy car wash operations. I manage scheduling, conduct Pre-Delivery Inspections (PDI), and coordinate dealer trades with nearby Honda locations, ensuring operational efficiency and exceptional customer satisfaction.

Lot Associate (2020-2021)
The Home Depot Lewiston Idaho Store# 1808-

-Assisted customers with loading merchandise and ensured excellent customer service.
-Maintained the cleanliness and organization of the parking lot and surrounding areas.
-Supported team members by retrieving carts and providing assistance during peak hours.
-Ensured a safe and welcoming environment for customers and team members.
